

Hello,

Here are some indications for your arrival, as most GPS devices only arrive a few hundred meters from our house, which is at the entrance to the village of Vierves-sur-Viroin.

GPS coordinates: LAT / N 50 ° 04.756 - LONG / E 4 ° 37.617

VIERVES, coming from COUVIN or NISMES

In Couvin, or at the exit of Couvin, take the N99 national road towards Doische. You are then 9 km from the finish line. If you are arriving from Nismes, you join the N99 national road about 3 km from the finish. In both cases, at the end of a long straight descent and just after a level crossing, the village of OLLOY-SUR-VIROIN is on your right; do not enter it and continue straight for about 1 km. After an "S" bend, you will see a farm on your right: then turn right, towards VIERVES center. The road then gives you the castle of Vierves in focus; the first house on the left on the descent is your destination!

VIERVES, coming from DOISCHE (B) or VIREUX (F)

About 3 km after crossing the village of TREIGNES, you will come to a roundabout; take the second exit, direction Couvin. Drive about 600 meters; halfway down the descent following the "S" bends, leave the national road by turning left. The road then gives you the castle of Vierves in focus; the first house on the left on the descent is your destination!
.. And if you are still lost, contact us at 0032471907922 (0471/907922); we will be happy to guide you ... Have a nice trip

Around what time do you expect to arrive? We may not be present so I will put the key in the key box next to the front door. The code will be given to you a few hours before your arrival. Warning: on the key fob there is a badge which will allow you to activate or deactivate the alarm. Once the door is open, you have 20 seconds to present this badge in front of the alarm control box (on the right in the entrance hall).

Regards,
